Washington State Court Forms

Most of the forms found on the Washington State Courts website are in Word 6.0, though some are offered in Word 97. In general, the forms are intended to be downloaded to your computer, where they can be modified. Once you have downloaded the forms, you may open your word processor, then open as any regular document, the individual court form you have downloaded.

✧ **Sign up today to be notified when Court Forms have been revised or added to the Washington State Courts Website.**
