

City of Puyallup Police Department

Date _____ Time _____

Officers have responded to an alarm activation on these premises. Your premises was checked by an officer and appeared to be secure.

Please contact your alarm company for details.

Officer Comments: _____

(over)

The Puyallup Police Department wants to reduce the number of false alarms. The Puyallup False Alarm Ordinance calls for fines as follows:

- 1st response no fine
- 2nd response warning
- 3rd response \$ 50
- 4th response \$ 100
- 5th response \$ 100
- 6th response \$ 100

After 6 alarms within a 6 month period the Police Department will not respond to property type alarms for one year. We encourage you to work with your alarm company and the Police Department to reduce false alarms.
