**LANDLORD NOTIFICATION**  
Seizure of Illegal Drugs

Ref: Case 06-01566

Dear Resident Manager:

Please be advised that on or about the 23<sup>rd</sup> of February 2006, the Benton County Sheriff's Office seized illegally possessed controlled substance(s) at a residence located at 203106 E Bowles Rd, #14, Kennewick WA 99337, in Benton County, State of Washington.

This notice is sent to you, the landlord and/or property owner, pursuant to RCW 59.18.075 (1). This law was enacted because of the statewide problem of illegal drug use, sale, manufacture and other drug related activity.

The legislature found that innocent people, especially children, who come in contact with illegal drug, related activity are seriously and adversely affected. In addition, rental property is devalued and damaged by illegal drug activity.

Thank you for your time and attention in this matter.

Sincerely,

Larry D. Taylor  
Sheriff
