Gift Baskets

Like prizes? Of course you do! All LEIRA attendees are encouraged to bring a gift basket, individually or as an agency. Donated baskets will be given away to lucky winners through a ticket drawing. Every attendee has a chance to win!

Need Ideas? In the past we've seen lots of themes - from movie night, wooden handmade items, coffee goodness, bath and spa motif, to items found locally representing the agency, including agency swag. Offerings are usually cellophane wrapped and in a basket. The possibilities are endless!

Don't have a gift basket? No problem! Be creative! Use a box and arrange it like a basket. Make sure to place a tag saying what agency the basket is from!
